

Brunswick Acres Music Department

October 8, 2021

Dear Fourth and Fifth Grade Parents or Guardians,

Welcome back to another musical school year! Mrs. Stanek & I are so excited to co-direct our amazing 4th & 5th grade chorus this year. Singing is a large part of every child's musical education at Brunswick Acres School. In general music class, children are taught to match pitch and develop basic vocal skills. In our 4th & 5th grade chorus, named "Brunswick Singers", students sing in unison and begin to explore 2-part harmony while further developing fundamental vocal techniques.

All 4th & 5th grade students are welcome to participate in chorus, which will meet each **Wednesday from 2:00-2:35 during recess beginning October 13th**. Brunswick Singers perform songs in both the Winter and Spring Concerts. Concert dates are coming soon, but will be around the end of January and the end of May.

We will be following the ARTS ED NJ guidance which is based on the most recent aerosol research available. You can access that information by clicking on the graphic above. Rehearsals will be in the small gym and also outside, when the weather cooperates. When indoors, students will be singing with their mask on, distanced 3 or more feet apart. When we are outdoors, students will have the option to take their masks off, but we will continue to keep a safe distance outside.

Thank you for supporting the importance of music in the education of your child. Please email us at school with any questions or concerns.

Musically,

Mrs. Sharpe and Mrs. Stanek
